```
Array
(
    [auth] => Array
        (
            [username] => admin1
            [password] => n0@ccess4U
            [acode] => 1009901
        )

    [smsInfo] => Array
        (
            [message] => This is Test Message
            [is_unicode] => 0
            [masking] => 123456780
            [msisdn] => Array
                (
                    [0] => 8801914944946
                )

        )

)
```

6. Response :

-5, camping id 76845648

7. Response description

SL	Response value	Description
1	-1	Description

2	-2	Invalid Contacts
3	-3	user authentication failed
4	-4	Broadcast Approval required
5	-5	Invalid SMS Body
6	-6	sms length exceeded
7	-7	sms credit not available
8	-8	maximum contacts limit 50
9	-9	Invalid Masking
10	-999	System Error

8. Bulk SMS API

URL : API: http://bulkmsg.teletalk.com.bd/api/sendSMS

Request Body

```
{"auth":
{"username":"AtiqtbLch",
"password":"Test#1234n",
"acode":"1005048"},
"smsInfo":{"message":"এটি একটি পরীক্ষা মূলক ",
"masking":"Test12",
"msisdn":["8801550156198","8801530786014"]
}
}
```

Output:
```
{"error_code":0,"contact":2,"creditDeducted":2,"currentBalance":"1","description":"Success","s
msInfo":[{"smsID":"202010051249285f7ac1f834694","msisdn":"8801550156198"},{"smsID":"2020100512
49285f7ac1f8346dd","msisdn":"8801530786014"}]}
```

9. Method

Method : post

10. Parameter

Parameter	Data type	Description
username	string	Valid User name given by the administrator
password	string	Valid Password given by the administrator
acode	string	Valid account code given by the

		administrator. Possible value 56740,56436
message	string	Text message (text scripts) of the campaign
is_unicode	numeric	Possible value 0 = English 1 = Unicode
masking	string	Valid CLI Ex: bdcam, combo-offer. Max value= 11 character
Msisdn	String	015XXXXXXXX, 015XXXXXXXX, 015XXXXXXXX …015XXXXXXXX (Mobile Number Prefix with ZERO and comma separate and maximum limit is 50)

11. Input Array :

```
Array
(
    [auth] => Array
        (
            [username] => admin
            [password] => n0@ccess4U
            [acode] => 1005001
        )

    [smsInfo] => Array
        (
            [message] => This is Test Message
            [is_unicode] => 0
            [masking] => 123456780
            [msisdn] => Array
                (
                    [0] => 8801514944941
                    [1] => 8801514944942
                    [2] => 8801514944943
                    [3] => 8801514944944
                    [4] => 8801514944945
                )

        )

)
```
